Go back to the [← Easy Kit Build Flow.](#)

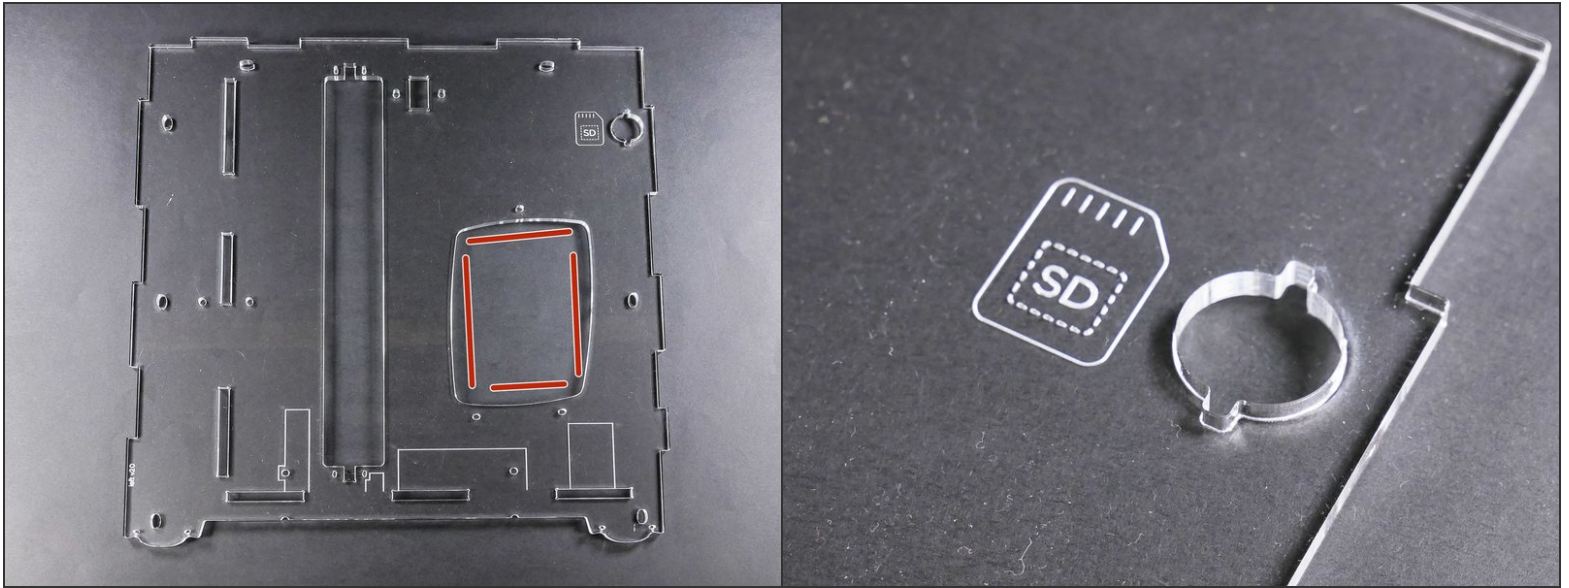

Step 1 — Build the Basic Frame

Step 2

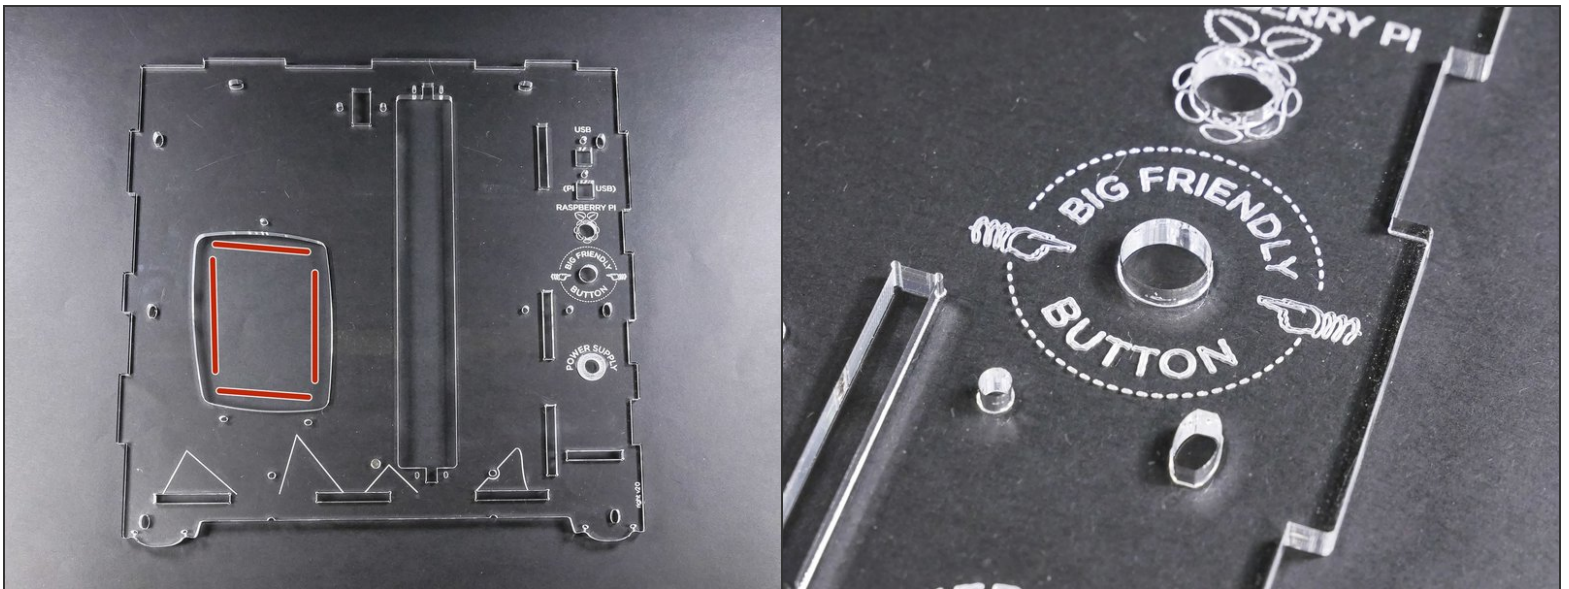

Step 3

⚠ Erratum: from late July, 2018, the Left and Right pieces feature just an etching in place of the former window.

- The side windows make no sense anymore once the Front Door has come to town.

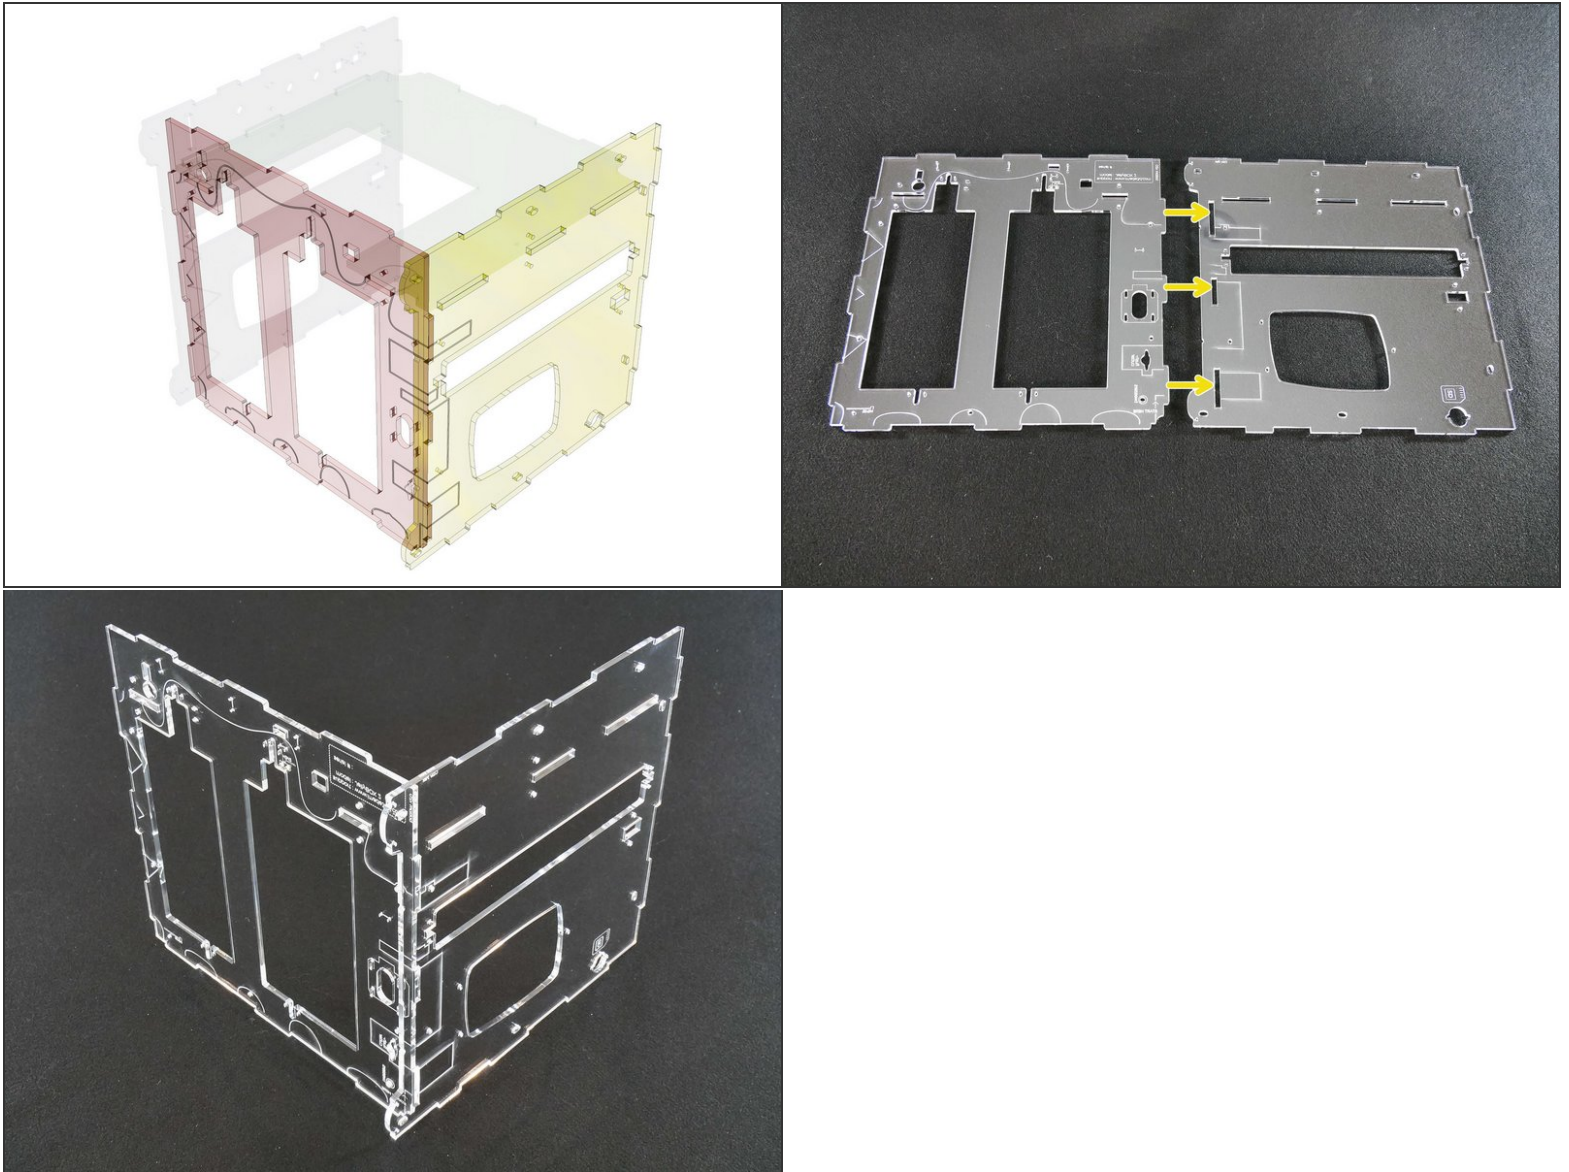

Step 4

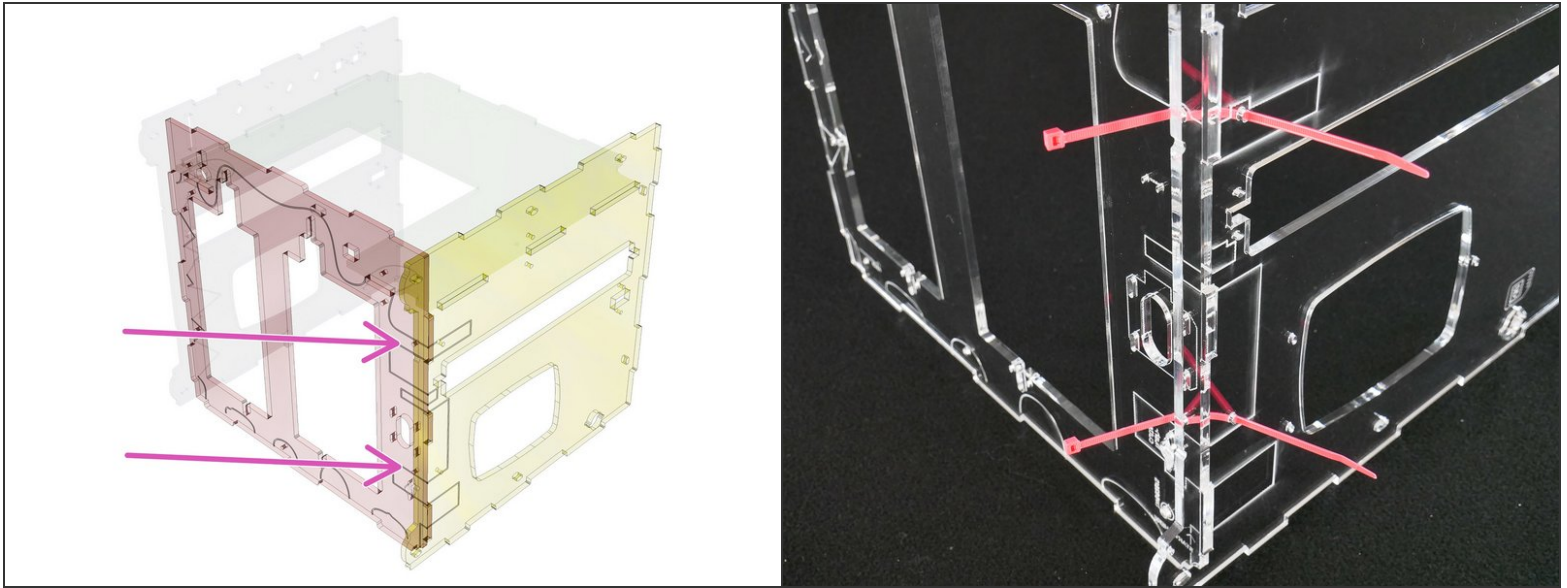

⚠ Erratum: from late July, 2018, the Left and Right pieces feature just an etching in place of the former window.

- The side windows make no sense anymore once the Front Door has come to town.
