INTRODUCTION

Not the guide you are looking for?

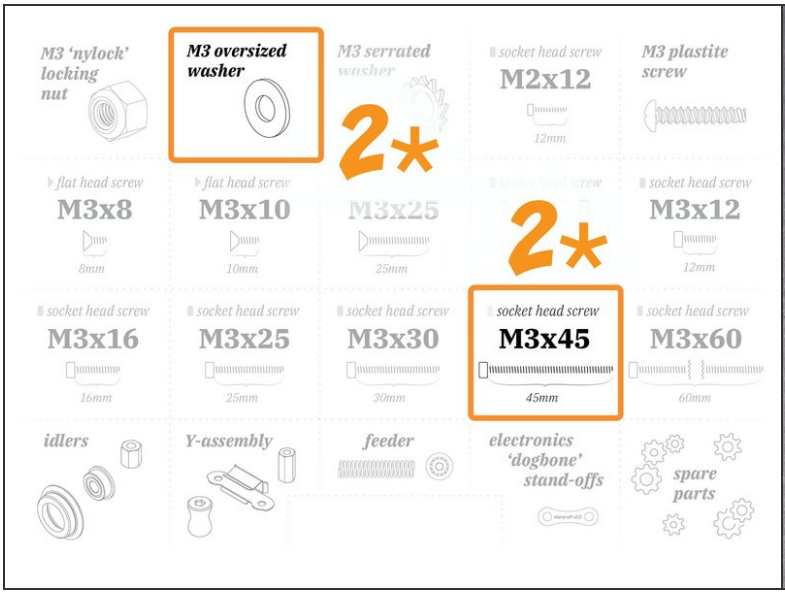

Go back to the **⇤ Makers Kit Build Flow.**

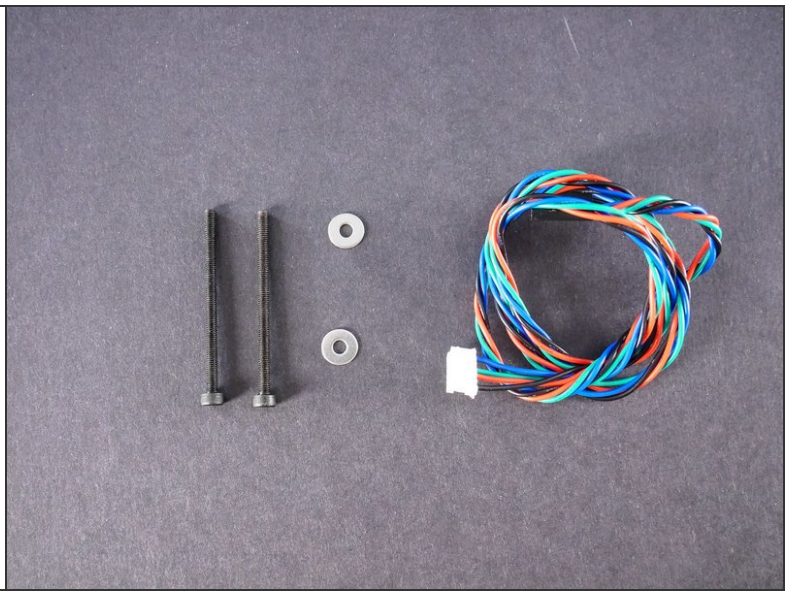

Step 1 — Install the Z Motor

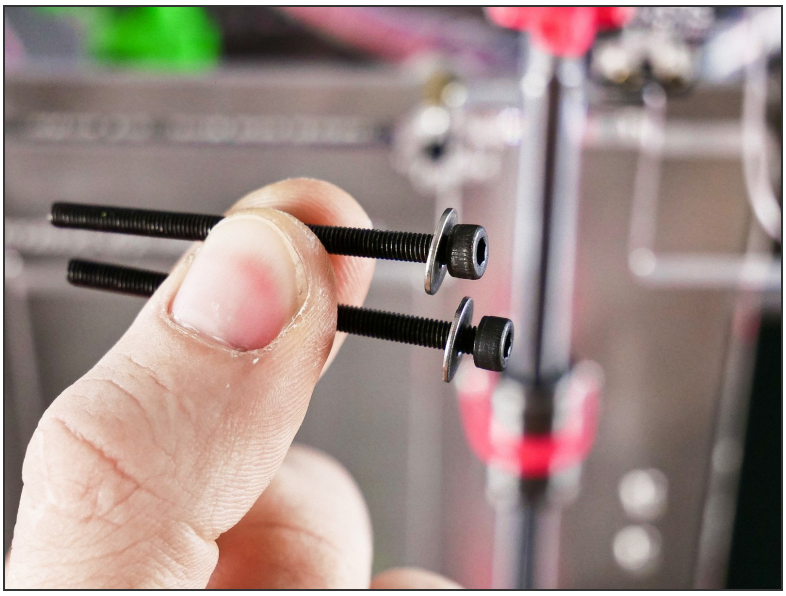

Step 2

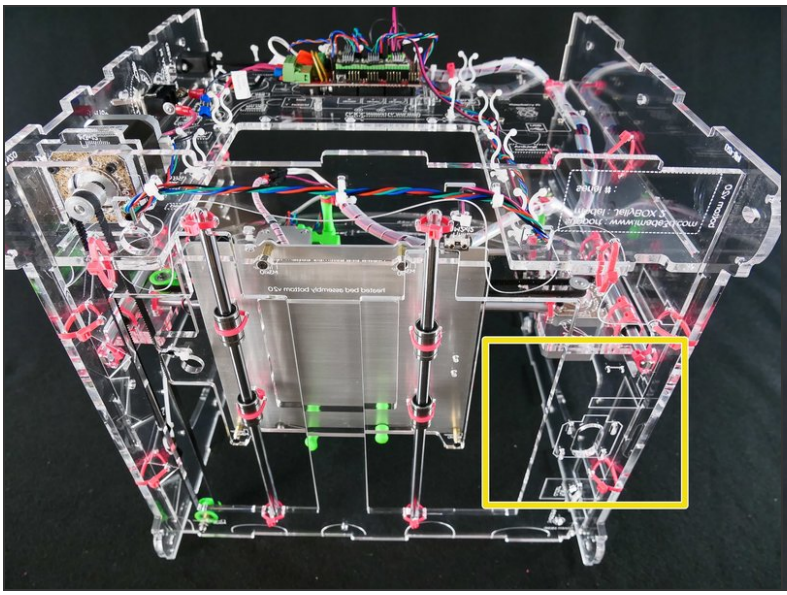

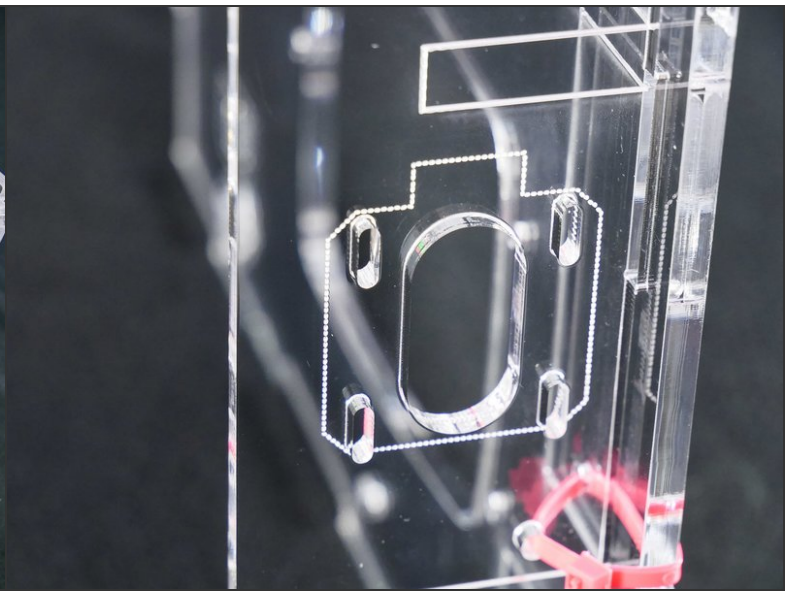

- M3x45

Step 3

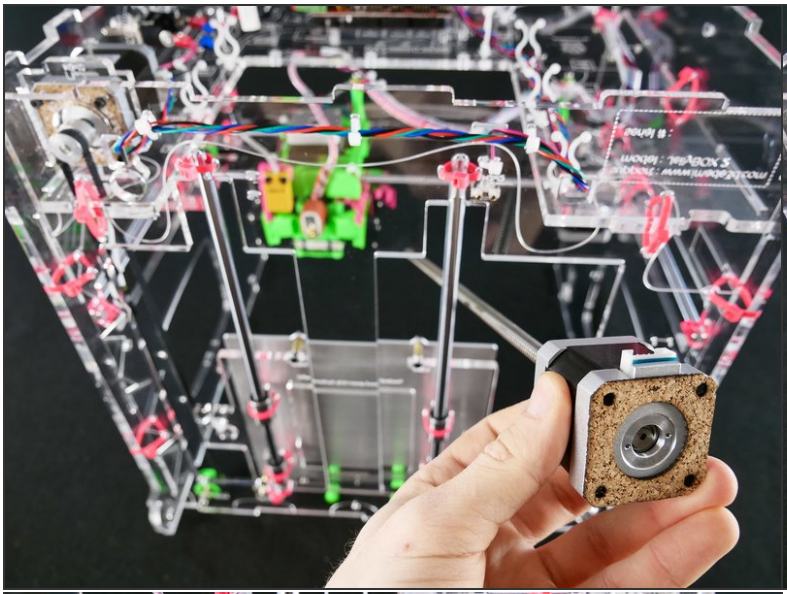

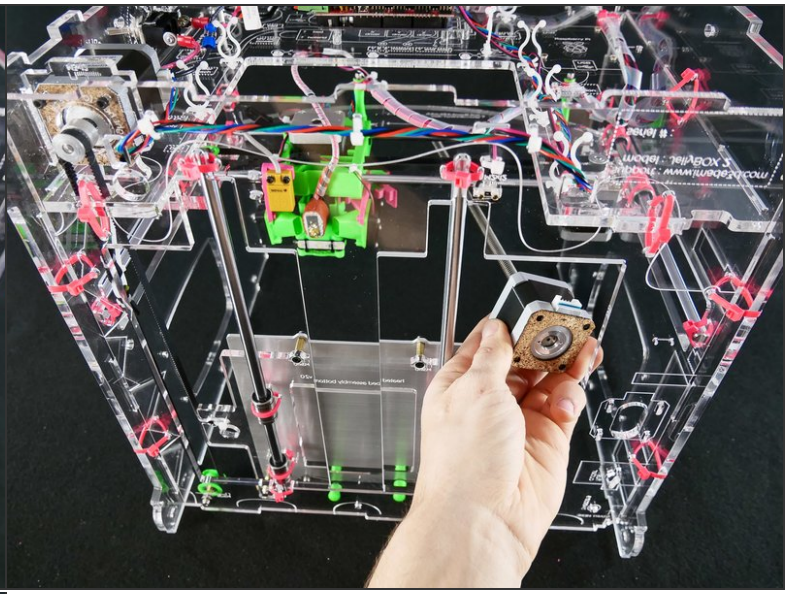

Step 4

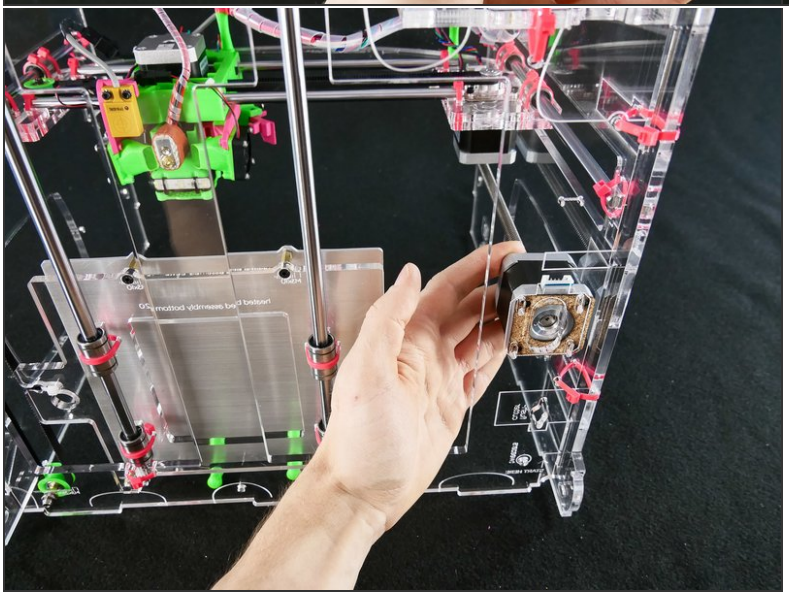

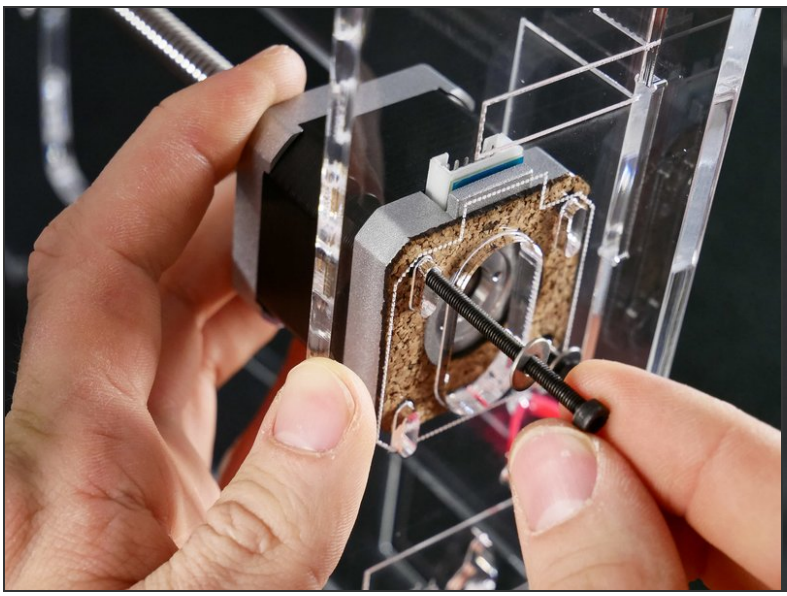

Step 5

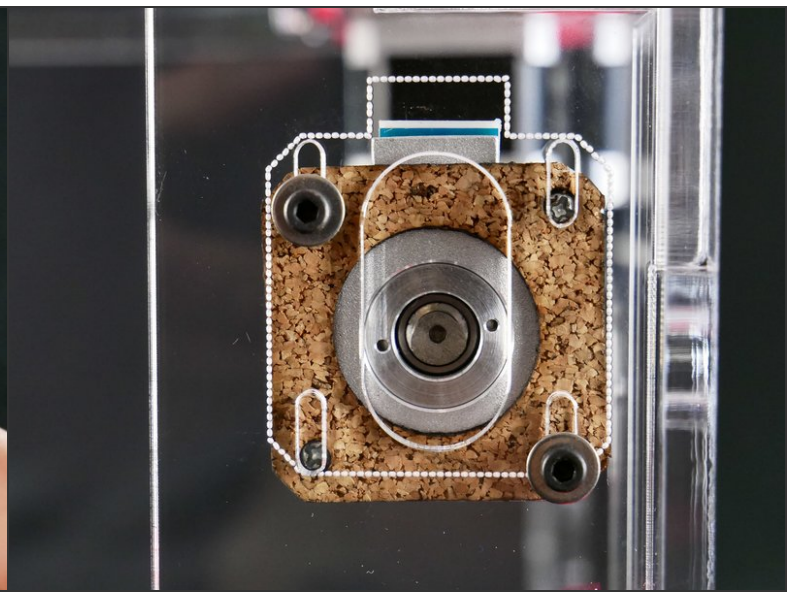

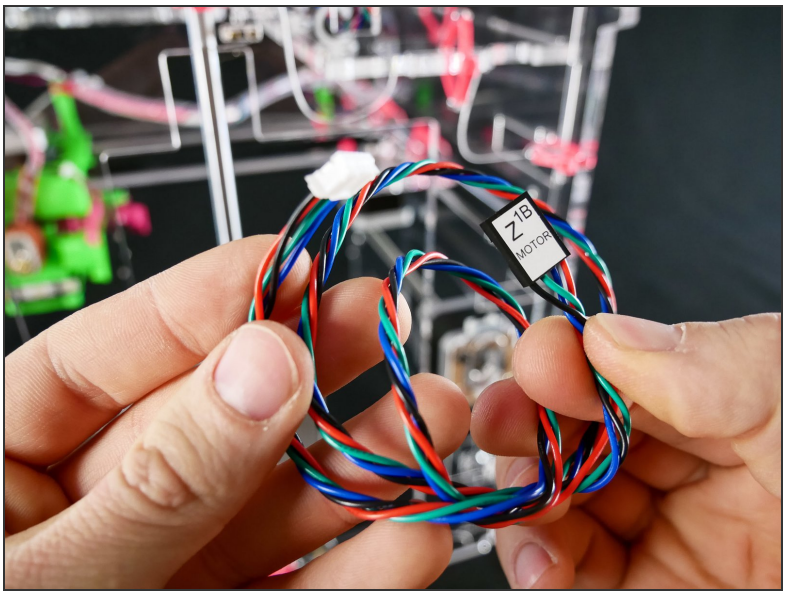

Step 6

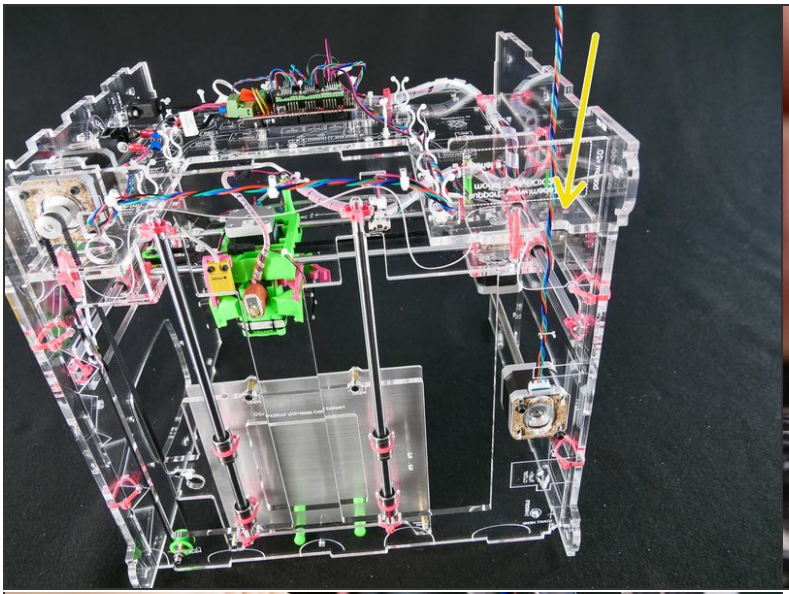

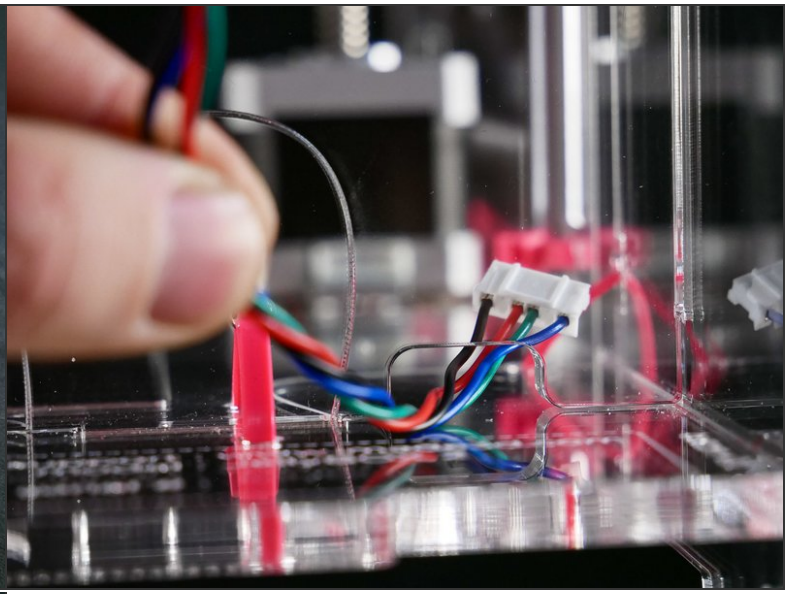

- Keep the screws a bit *loose*. We'll adjust the Z motor position later.

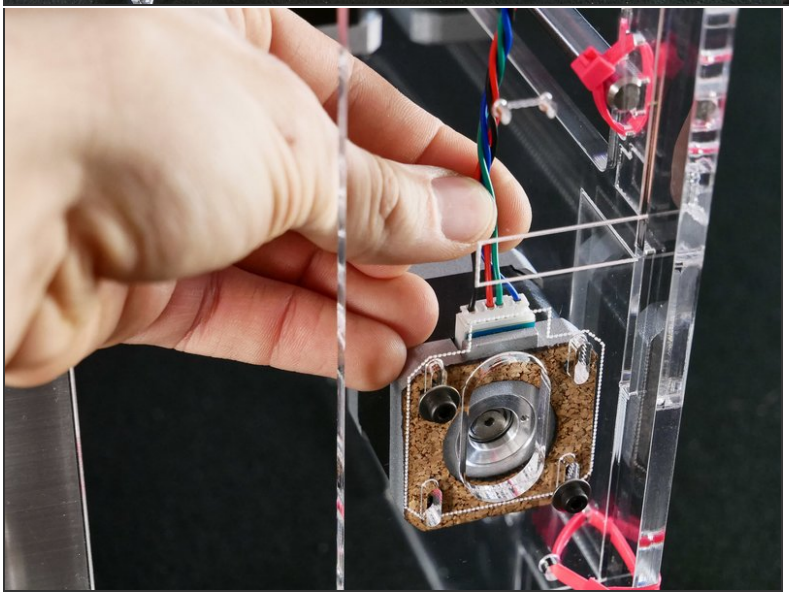

Step 7

Step 8

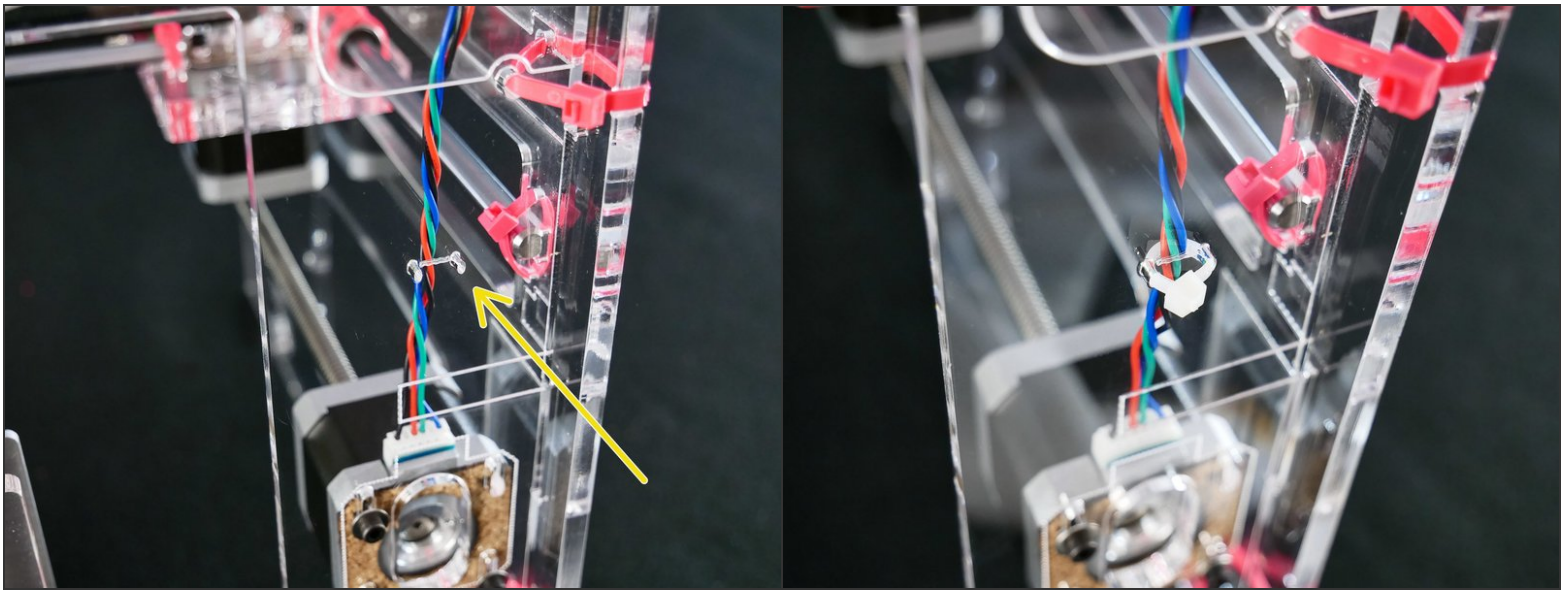

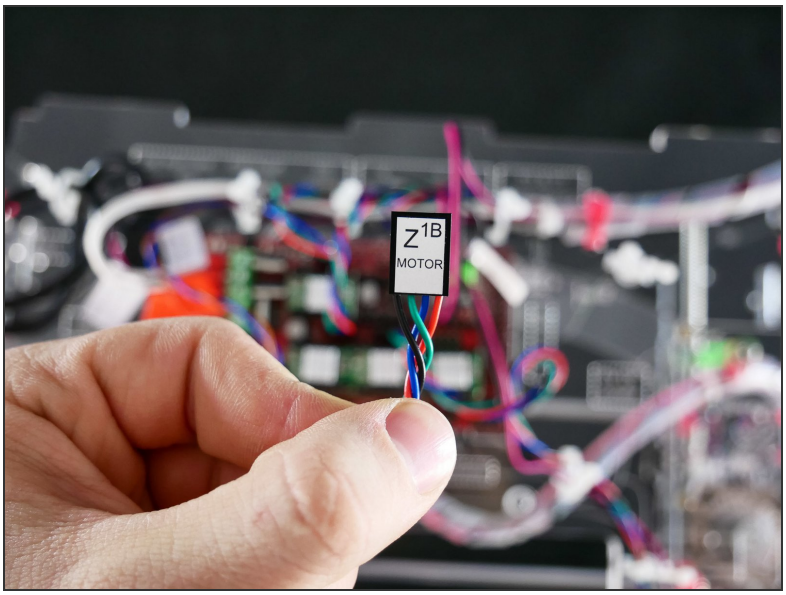

- [docs improvement] chose a better angle for photo #2

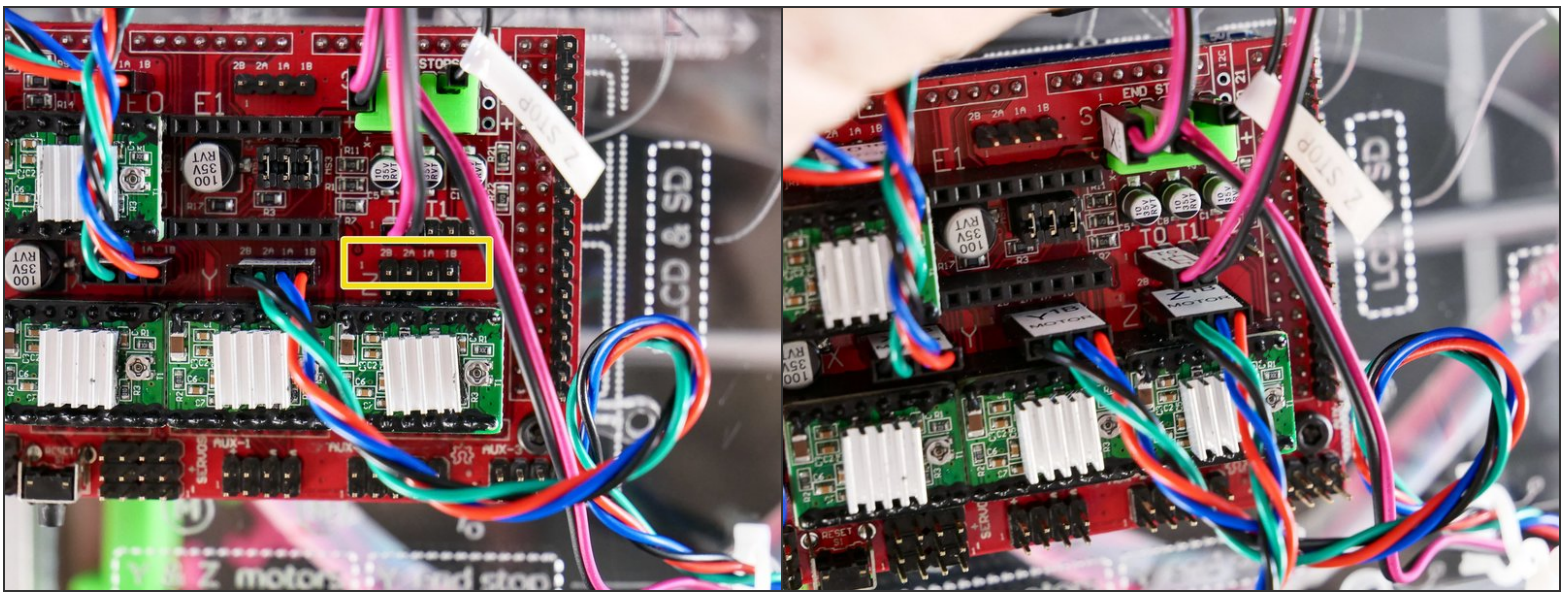

Step 9

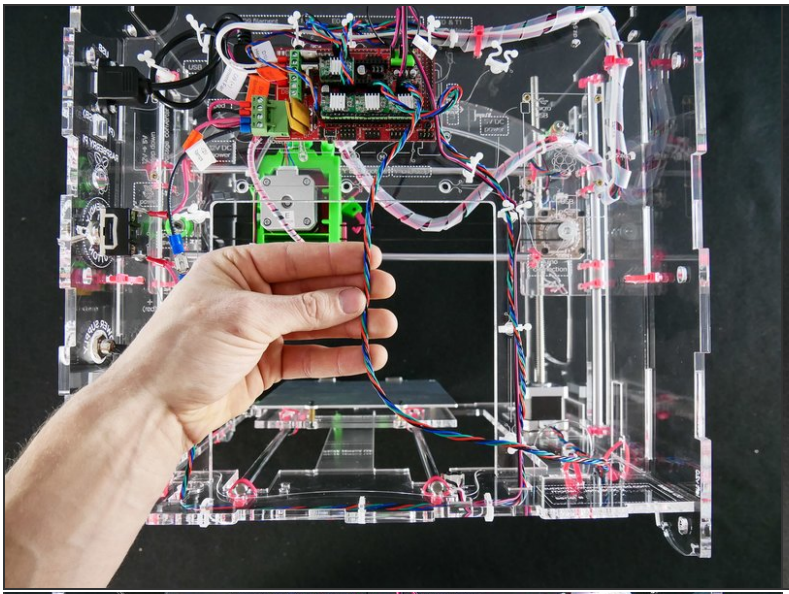

Step 10

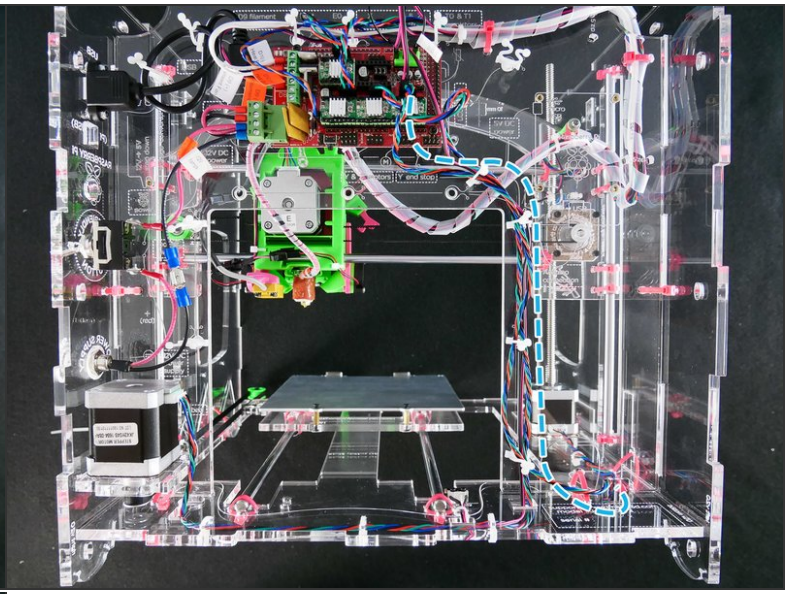

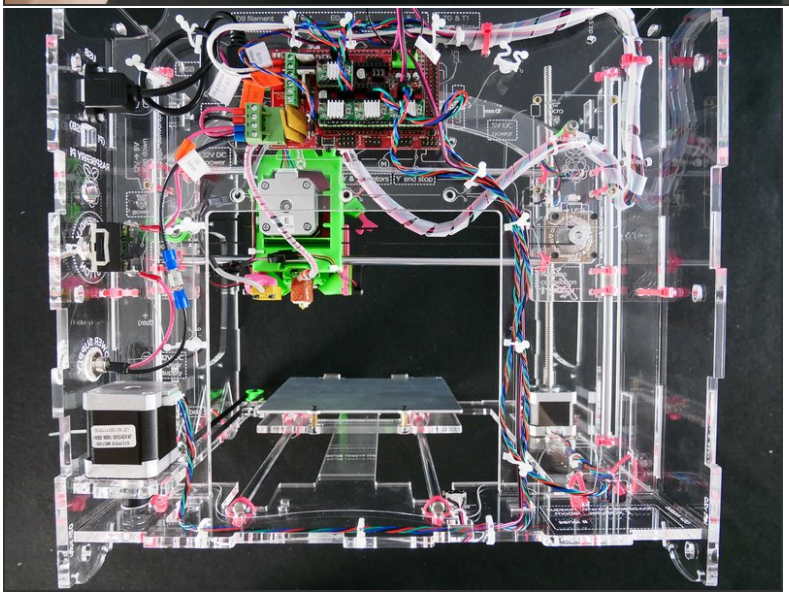

Step 11

Step 12 — It's done!
