## Step 1 — Lots of Zip Ties

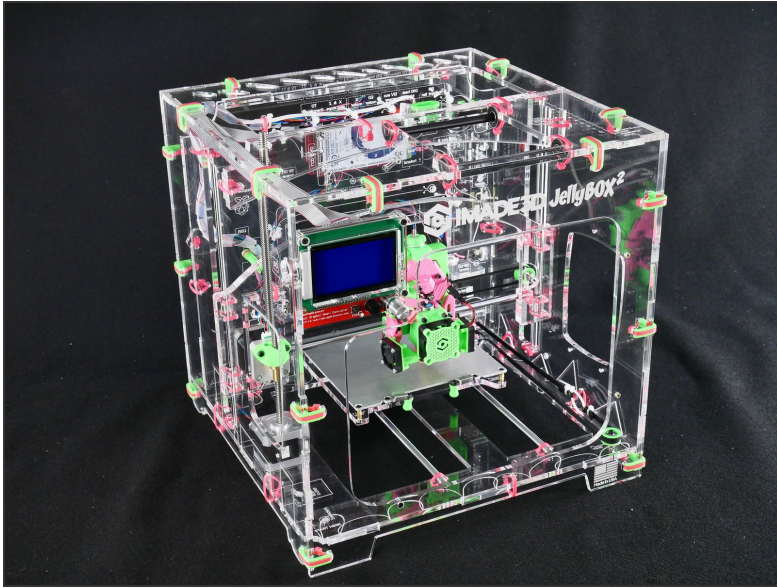

## Step 2

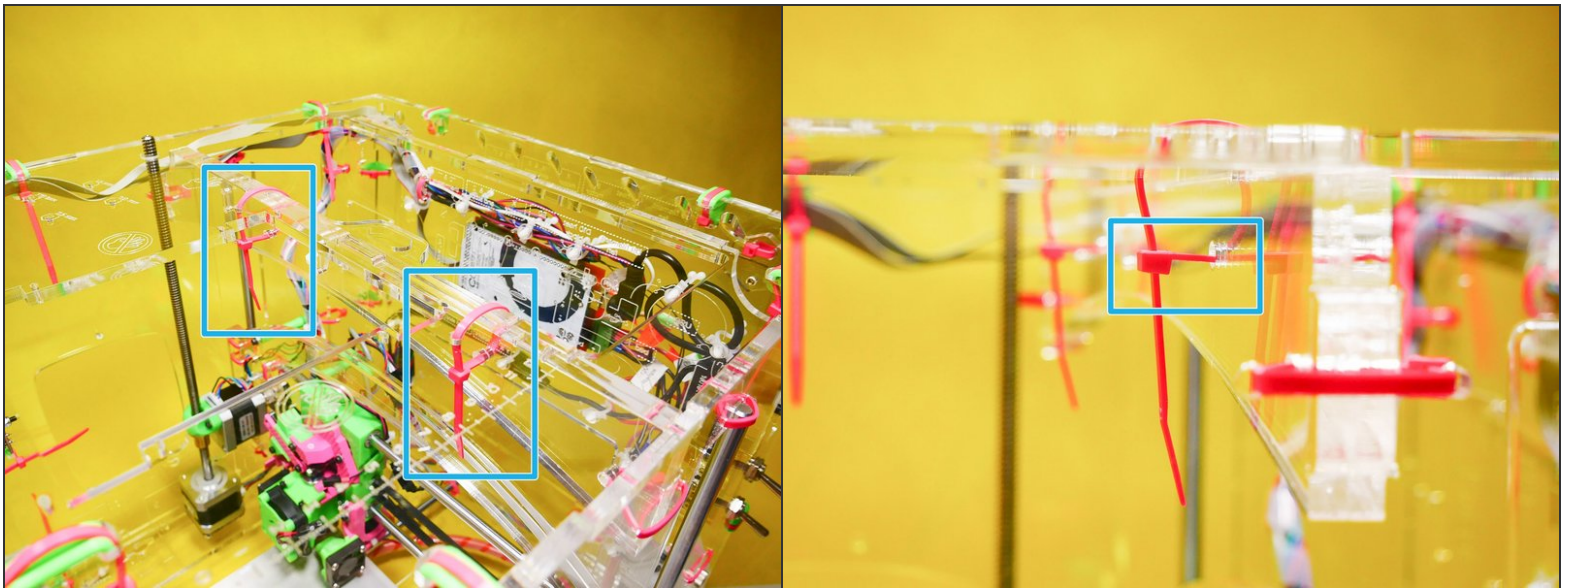

- We will reinforce the corner clips with pink 5" zip ties.

### Step 3

- Put a 5" zip tie into **ALL 19 green corner clips** :-)

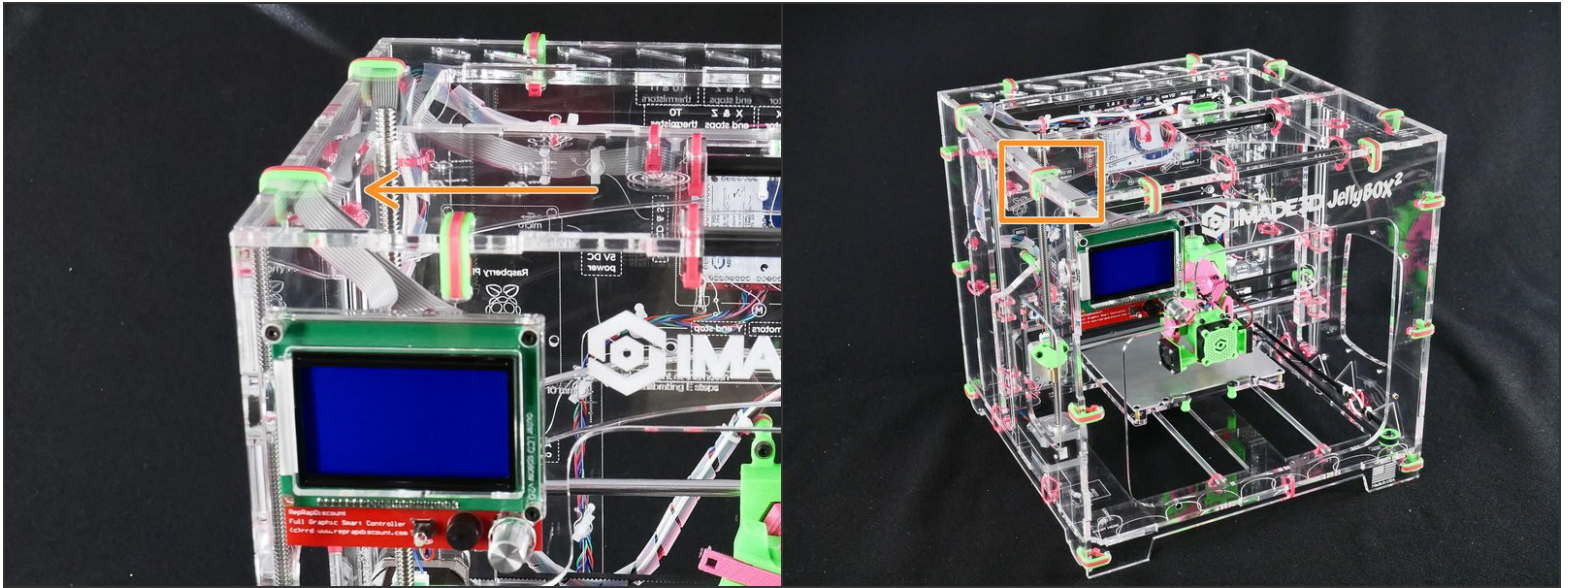

### Step 4

- For Brace zip ties, put the **zip heads in front** - i'll be more comfortable when you grab the brace/handle this way.

## Step 5

- On the top left, the zip ties also hold the **LCD wires** in place.
